LUNCHTIME MOVIES

Summer is here again and so are "Lunchtime Movies", our popular film series, which will begin on Tuesday, June 3 at 11:30 A.M. and will continue on Tuesdays throughout the summer.

You are invited to bring your lunch and we will provide the coffee! You can enjoy our selection of short films while eating in air-conditioned comfort! For your further convenience, we will repeat the films on Tuesday evenings at 7:30 P.M.

These films will appeal to both adults and teenagers and will include scenic travel films, stories about interesting people, artistic photographic essays, and exciting films on sports.

For instance, on June 3, we will journey to Great Britain and Greenland, and look back on the thrilling 1976 Winter Olympics.

On June 10, we will marvel at the extraordinary life of armless Bonnie Consola, travel to Taiwan and Portugal, and watch a scene from "Raisin in the Sun", illustrating the talent and power of black actors and dramatists.

A weekly list of the films to be shown will be available at the Library, and we hope that you will join us every Tuesday for a relaxing time at "Lunchtime Movies."

LIBRARY SUMMER HOURS

The Library is now closed on Sundays for the summer and will be closed on Friday nights after June 13. The Library will also be closed on July 4 and September 1.

MONEY MANAGEMENT WORKSHOP

Do you use credit today to buy many of the things you bought last year with cash?

Does your checkbook balance get lower by the month?

Have you been dunned by creditors?

If your answers to any of these questions is "Yes", it's time to take a close look at your budget! The Library will present a Money Management Workshop for your convenience and education on Wednesday evenings throughout June.

On Wednesday, June 11 at 7:30 P.M., an introduction and determination of goals will be discussed.

On Wednesday, June 18 at 7:30 P.M., actual budgets will be set up.

On Wednesday, June 25 at 7:30 P.M., instruction on using credit wisely will be given, and also, adjusting the budget to changing situations.

The whole series will be presented by Jean Bischmann, Supervisor of United Charities of Chicago's Family Financial Counseling Program. Ms. Bischmann has over 10 years of experience in financial counseling and consumer education.

In these financially troubled times, everyone needs to budget more wisely. We hope that the residents of Morton Grove will take advantage of this practical workshop on Money Management.

SUMMER READING PROGRAM

Travel with the Muppets from Morton Grove to Hollywood for summer reading fun! The reading program will begin on June 23 and is open to children from pre-school through 8th grade.

With each book the child reads and reports, his Muppet character advances from Illinois to California via the new sprinkler system down in the Children's Room.

On Saturday, Sept. 6 at 2 P.M., awards and reading certificates will be presented to those participating in the reading program.

FROM THE LIBRARIAN'S DESK . . . . .

Nothing is more satisfying than to report that the Library has just completed a banner year! Our circulation of materials rose to 209,596--by far the largest in our 42-year history! 12,657 of Morton Grove's 26,396 residents were registered library patrons. The number of reference questions rose to a new high, attendance at adult programs was 3,592, and 8,222 attended juvenile programs.

The book collection presently totals 99,200, and we expect to reach 100,000 within a month or two. We also have 3,695 recordings, as well as collections of 8 mm. films, cassettes, framed art prints, and puzzles and games for children.

Because the Morton Grove Public Library is a member of the North Suburban Library System, our patrons had access to books, periodical articles and 16 mm. films beyond the scope of our own collection. Through the Reciprocal Borrowing Program, they borrowed another 27,000 from other libraries; we, in turn, loaned 24,500 to patrons from other libraries.

There is not enough space in this column to enumerate other exciting statistics. If you are interested in learning more, copies of the Annual Narrative Report are available in all departments of the Library. Suffice it to say that the Library has been jumping this past year and if you were not part of the action, you were the loser!

As we go into the summer, we are on the verge of the changes which will be necessary as we move into our nearly completed addition. We expect a gradual transition and ask you to bear with us until we are settled. Everyone is invited to join us for the dedication of the addition which will be September 21. We'll give you more details of that and of programs planned for the new meeting room in the September issue of this newsletter.

FRIENDS OF THE MORTON GROVE LIBRARY

The FRIENDS OF THE MORTON GROVE LIBRARY held an open meeting on April 28 at 7:30 P.M. New officers for 1980-81 were elected and they are:

Vice Pres.....Janice Paul (Program)
Vice Pres.....Beverly Copeland (Membership)
Secretary.....Betty Falter
Treasurer.....Ethel Burkhardt

After the election, members of the Library staff conducted tours of the Children's Room, Reference Room and the new addition, which should be ready for occupancy in about four weeks. We were introduced to Ms. Denise Christopoulos, who was recently hired to be in charge of the Local History Room, which will be housed in the new section.

In the months ahead, the FRIENDS will be assisting the Library staff with moving into the new section, manning the Library's booth at the Chamber of Commerce Expo, and assisting with the dedication activities of the new wing which will be held on September 21.

There is much to do and we need your help! Please join us!

SPEED READING LECTURE

If you've ever been curious about speed reading and whether it really works, come to a SPEED READING LECTURE, presented by Joyce Wagman on Thursday, June 5 at 7:30 P.M.

She has taught in both Chicago and Skokie public schools and was President of District 68 School Board. She is now Director of Joyce Wagman & Associates, "The Reading People", located in Skokie.

Mrs. Kuehnert is a handwriting expert from northern California and has analyzed the writing of many professional people. Come and learn more about yourself and others through the understanding of handwriting.
